

OUR High School PTSA Board presents: **SAT** **ACT**

An Affordable Online SAT & ACT Test Practice and Analytics Platform with Unique Actionable Reports
EFFECTIVE & SO EASY TO USE

Our High School PTSA Board and mySATadvisor have collaborated to create a unique online SAT & ACT Practice opportunity.

This will be available to all our HS students at a discounted price.

The cost per student is \$59 for 6 month full access practice and analysis that includes **SAT 16 tests**. (8 College Board downloadable tests + 8 more bonus tests from popular test publishers can be practiced after buying their books). There are **9 official ACT** tests available for practice and analytics after students buy the Office ACT prep guides.

The PTSA and mySATadvisor are focused on providing the best possible SAT & ACT test preparation experience. We want you to achieve your target score and be admitted to your dream school. This platform will cover all sections of the SAT & ACT tests. Our unique practice platform will help you to improve both **SPEED** and **ACCURACY**. In addition, the actionable reports will guide students to focus on the skill areas to maximize SAT and ACT score improvement.

All your SAT & ACT preparation data organized at on place!
RAISE YOUR SAT SCORE! Saves Prep Time and Money!

KEY FEATURES TO IMPROVE YOUR SCORE:

1. Online unlimited practice on College Board tests with unique tools to raise your SAT & ACT scores.
2. 9-Page actionable detail reports and 1 page recommendation reports on strengths and weakness.
3. Pacing analysis to improve speed and review journals to improve accuracy.
4. Ability to re-practice incorrect, guessed and book-marked questions.
5. Launch Advisor to help you focus on key weak areas and uniquely designed vocabulary flash cards.
6. Ability to link to your parents and SAT & ACT prep teachers to collaborate effectively.
7. Bonus: You can also practice additional tests on this platform, after purchasing books from popular test publishers like Kaplan, McGraw-Hill and Ivy Global and from ACT publishers.

Registration Steps:

1. Create a student account by following the steps at https://mysatadvisor.com/brochure/Getting_Started_Students.pdf.
2. After the account is created Click "Unlock Full Access" and key in the code provided by PTSA to gain full access.
3. For SAT, print the CB tests and start practicing on the intelligent digital bubble sheet that lets you mark guess, difficulty and see how your speed is between the questions. For ACT, practice after buying the official ACT books.
4. Consider involving a parent and your SAT or ACT prep teacher | tutor | mentor. Request your parent to register for free and link to your account. We request parents to provide a positive support so that students can focus and maximize score improvement.

This platform is available for free to all admins, teachers and parents to link to student to monitor the progress and to become an integral part of the SAT and ACT journey. Many useful reports are available for both Parents and Teachers for free.

An ultimate platform for SAT and ACT score improvement. Let's you practice and analyze on Official SAT and Real ACT Tests. Just buy the official books for ACT or use the free links for SAT and utilize all the features to practice, analyze and improve the scores. Test-prep made simple and smart! <https://mySATadvisor.com>
