

OUR High School PTSA Board presents:

An Affordable Online SAT Test Practice and Analytics Platform with Unique Actionable Reports

Our High School PTSA Board and mySATadvisor have collaborated to create a unique online SAT Practice opportunity. This will be available to all our HS students at a discounted price. The cost per student is \$30 for three month full access practice and analyze that includes 12 tests (4 College Board downloadable tests + 8 more bonus tests from popular test publishers can be practiced after buying their books). This represents a discount of approximately 30% off a typical MSA practice platform.

The PTSA and mySATadvisor are focused on providing the best possible SAT preparation experience. We want you to achieve your target score and be admitted to your dream school. This platform will cover all sections of the SAT test. Our unique practice platform will help you to improve both SPEED and ACCURACY. In addition, the actionable reports will guide students to focus on the skill areas to maximize SAT score improvement.
